Conduct and Adviser Responsibility Form

Please keep in mind that IHSPA convention attendees will not be the only hotel guests. Remind students that they are representing their schools and the state association, and that they should behave accordingly.

A midnight curfew will be in effect Thursday night and will be enforced by security. Advisers should remember they are responsible for their students at all times at the hotel and while on the convention site. They should not be left unsupervised after Thursday's activities, and advisers should always know where their students are during convention-related activities.

Excessive noise in all hotel areas, destruction of property, and other inappropriate behavior is not acceptable and can result in eviction. Students and their schools will be held accountable for damaged property.

Remember, advisers must provide transportation for their own students the entire convention. IHSPA will provide no transportation.

Drinking or possessing alcoholic beverages or the possession/use of illegal drugs is prohibited and will result in immediate dismissal from convention activities.

I accept full responsibility/liability for my students while attending the convention Oct. 22-23, 2009 at the hotel and during events on campus.
